

A black and white photograph of an archaeological site. The ground is composed of light-colored soil with numerous small, rounded stones and pebbles scattered throughout. A horizontal scale bar, consisting of alternating black and white segments, is positioned in the center of the frame. Below the scale bar, a small white rectangular label with the number '254' in black text is placed on the ground. The overall scene suggests an excavation or a study of a natural or man-made surface.
